The Synergy of Ancient Wisdom and Modern Wellness

The True Power of Mushrooms, without the taste!

Our unique blend combines the finest roasted coffee with potent mushroom extracts that work together to enhance performance and promote holistic wellness:

- Reishi – supports immunity and inner balance for lasting vitality.
- Lion's Mane – boosts focus, memory, and mental clarity.
- Tremella – promotes skin health and deep hydration from within.
- Chaga – a powerful antioxidant that protects and strengthens.
- Cordyceps – enhances energy, endurance, and oxygen uptake naturally.

100% Natural & Organic:

Sustainably sourced, premium-quality mushrooms.

Science-Backed Formula:

Ancient wisdom combined with modern research, enhanced with amazing natural flavour.

Easy to Use:

Just brew it as you would make your regular cup of coffee or hot chocolate.

Vegan & Gluten-Free:

Made for everyone to enjoy.
